Flynn Mansion Dinner - Program Policies

Please review the following prior to purchasing tickets.

Program Details

• Dinner programs last around three hours. Much of the evening is spent seated at a formal dining table, eating new and interesting foods. For this reason, this program is not recommended for children under age 12. The Flynn Victorian Tea is a better option for parents and children looking to share in a Flynn experience.
• Guests should arrive at the Living History Farms Visitor Center promptly at 6:15 pm.
• All guests are seated and served at one table.
• Guests will meet their dinner host at the Living History Farms Visitor Center and then drive their own vehicles to a parking area next to the historic home. Roads in the spring may be muddy. Wear your dinner finery, but sensible shoes are recommended.
• Our meals are prepared in the style of the historic period and served to the entire group. We generally cannot alter recipes without impacting other guests at the table. Most of our recipes contain butter, margarine, eggs, chicken or beef stock, flour, and other gluten containing ingredients. If you have questions about a food allergy, please contact us at least two weeks prior to your program at (515)278-5286 ext. 158 or send an email to dinners@lhf.org.
