Summer Day Camp -
Early Drop-Off & Late Pickup

This is not an extension to the camp experience. Those staying during these extended times will be supervised by a staff member and will have access to books and board games. They are welcome to bring their own entertainment. We cannot be held responsible for any left, broken, or lost items.

In the afternoon section we will be offering a beverage and small snack (ex. Kool-aid and goldfish). You are welcome to send your own snack. Due to safety concerns, glass containers are prohibited. We are all aware of the many types of allergies out there that our children are faced with. As we try to make this a safe environment we encourage you to be aware in particular of peanut and nut allergies when sending lunches and snacks with your camper.

Feedback from parents

“I’ve always heard good things about LHF summer camps from my coworkers. However, I wasn’t able to send my child to the camp in the past because of the hours. Early drop-off & late pickup are the reasons my child could participate in the LHF camp for the first time this year.”

“I like that the late pickup time was focused on a little quieter time with games, etc. after the kids were active all day. It gave them time to unwind.”
