While certain dishes may not contain certain ingredients, all recipes are prepared in the same kitchen. While we are diligent in preventing contamination, we cannot guarantee cross-contamination does not occur when preparing the dinner.

Our meals are prepared in the style of the historic period and we are unable to accommodate changes to the menu.

Desserts

Cake and ice cream are served at dessert for the Flynn Harvest Home Dinners. Our cake contains flour, sugar, and eggs.

Nut Allergies

We do not cook with or add nuts to any dish we prepare. We have a nut-free kitchen, but cannot guarantee cross-contamination does not occur from ingredients or items produced in a nut-producing factory or facility.
